1.	The SCHKLUDITZ for flitteen no control static intermediate la long time.	onths. The	ere were mere mere mere en southern	no senti edge wa	ries. The	flight No	
2.	No Soviet troops were quartered in the SCHHLUDITZ station. The people-owned Waschinen-und Apparatebau Fir (Construction of Machines and Apparatuses) was housed in the buildings of the former brickyard at the southeastern corner of the field. Soviet Air Force soldiers waring blue epaulets were occasionally observed there.						
25X1	Comment:						
	The report is confirmed No changes have occured at the field compared to observ tions made in the previous months.
